World-class entertainment, programmed and produced for every stage.

Oakdale Entertainment creates, manages, and produces unforgettable performances for cruise lines, theaters, performing arts centers, and unique venues worldwide.

WHAT WE DO

Creative Development

Original concepts, custom revues, and bespoke production shows shaped to your room, your audience, and your brand.

Artist Management

A curated bench of award-winning vocalists, instrumentalists, comedians, and variety acts — all represented exclusively by us.

Production Management

Casting, rehearsals, technical direction, music tracks, costuming, and dress rehearsals — delivered show-ready.

Touring & Logistics

Visas, contracts, travel, freight, and on-site advance work handled end-to-end so your team can focus on the audience.

OUR TALENT

Vocalists

Broadway veterans, national touring headliners, and finalists from the world's biggest stages — singers who command attention and fill a room with pure presence.

Instrumentalists

Virtuosic players across every genre, from jazz quartets and classical soloists to high-energy bands built for the world's most demanding rooms.

Variety

Acrobats, comedians, quick-change artists, and cirque performers who defy expectation and give audiences something they've never seen before — and won't soon forget.

Magicians

Elite illusionists and mentalists with world tours, Las Vegas residencies, and television credits — masters of mystery who leave every audience genuinely speechless.
